DEAR EDITOR....

'Yes' Vote for
EC College
Editor
Torrance Press

One of Torrance's finest assets is the community college located on its northern boundary.

Providing scholastic, recreational, and cultural advantages, El Camino college has helped local residents from post high school age to eighty to enjoy a fuller and more complete life. Its facilities are shared with the community, with little or no charge.

Costing only 55c per \$100 assessed valuation, the college has never asked for an increase of its original tax base. Its request in the current election is to continue the same tax for further campus development.

In the face of its growth, it must continue to build to give to us and our neighbors the advantages which it has offered during its ten-year history. The college is depending upon continued support from the Torrance area, which has supported it so well in the past. A

"yes" vote will ensure the continuation of a "job well done."
Yours very truly,
(s) Miss Arlene Smith
16913 Purch ave.

Veterans' Exemptions

Can you please tell me when the law was passed allowing veterans a \$1,000 exemption on property taxes? I read an article in the Long Beach paper stating that the Assembly had passed a law exempting veterans from this tax in the future only if they were from California or lived in California when the exemption law was passed.

If the above is true, thousands of veterans in the state will lose their benefit of this exemption which means their house payments will go up considerably and many will not be able to keep their homes. As other states do not seem to make this stipulation I wonder what made California pass such a law? ? ?

(s) Puzzled Veteran
P.S.: We fought as much to save California as any other state, no matter where we resided

ed when we joined the service!
(Any veteran owning property in California is eligible for the \$1000 exemption, whether the veteran is from California originally or not, according to the Torrance Veterans Center. —Ed.)

Recreation Survey

I would like to take this opportunity to express our gratitude for excellent presentation you are making of the Park and Recreation Facilities Survey we recently completed for the city of Torrance.

I have had an opportunity to read the first installment and feel that you are making a great contribution to the welfare of the community by your objectivity.

Inasmuch as we are extremely interested in the growth of Torrance, we would like to place a one year's subscription to the "Torrance Press" . . .

Sincerely yours,
(s) Robert L. Gold,

and Associates

**Local Minor
Little League
Play Starts**

The Torrance National Minor Little League has been formed again this year for boys who fail to make the "majors." Play began officially on a new field at 182nd and Crenshaw last week-end. It was through the efforts of the executive committee, team managers, parents, and interested persons that the ball field was acquired and built over the past four months.

Members of the executive committee who have worked in one way or another to complete the project are President Thomas G. Wilkes, and Dean Stewart, Les Fuller, Lorraine Wilkes, John Tweedy, Pat Reid, Danny Maine, Fay Bill and Sid Horton.

The 12 minor league teams are being managed by Louis Patrick, Jack Thomas, Leon Shadownes, George Surber, Clarence Tyler, Gordon Davis, Bill Kanatasky, John D'Ornellas, Lee Simpson, Harold Holmes, Jeph Dykes, and Bill Burke.
In charge of the field and construction are Sid Horton, Kettler Field, and F. J. Kelly, Shina

**Dodgers,
White Sox
Win Games**

Behind the one-hit pitching of Mike Appleby, the Dodgers scored their initial victory of the season over the Tigers, 6-2.

A home run by Charles Berry with a mate on base highlighted the Dodger attack. Chuck Robinson, the losing pitcher, picked up the lone bingle off Appleby's pitches. The weak-hitting Tigers have made only one hit in two games.

The White Sox picked up their initial victory of the season downing the Giants, 7-4. Larry Gunther settled down after a shaky start to stop the Giant hitters. Erv Palich reached him for a home run. However, Bob Flick more than made up for it, by belting one out of the park with a runner on base.

Others include Les Fuller, players' agent; Dean Stewart, schedule chairman; John Tweedy, sponsor chairman; Joe Useldinger, equipment manager; Sam Vico, athletic advisor; Alice

**GAA's Split
Games With
Chadwick**

Narbonne's GAA girls played their first off-season basket ball game on Chadwick's courts recently. Playing for the first time on inside courts, the B team, with Valerie Hyde as high point girl, lost to Chadwick with a score of 15-12.

The A teams then took the court, with Narbonne in the lead all through the game. At the beginning of the second half, the score read 14-8. With but three minutes left to play in the game, the score was 23-22, but the Gauchos upped the score to win 28-22, with Judy Clements scoring 20 points for Narbonne.

Narbonne was invited to return to Chadwick on May 28, for a soft ball game and a swim.

Horton and Helene Yeskin, publicity; Bert Davis, concession manager; Lorraine Wilkes, concession treasurer; Bob Sonju, major league president; and John Keith, Babe Ruth League president.
